PRAYER

God love,
only source of true and authentic charity,
in the earthly way
we recognize a life throughout spending
in your service
and poor brothers too.
We wonder, God,
if you like
her glorification in this world,
grant, for her intercession,
we are praying you for,
health and peace to our family,
prosperity on the job,
and the grace which
we are imploring ardently.

with ecclesiastic assent - 1995

which make flourish the fraternity".*
